

HealthCare.com

Scholarship Application

To make life easier for students nearing health insurance milestones, HealthCare.com is offering 3 college scholarships. Thank you for applying, and best of luck in your educational journey!

Full details are available at [HealthCare.com/info/scholarships](https://www.healthcare.com/info/scholarships).

- The Open Enrollment Scholarship (ages 17-19) gives back to people heading to college for the first time.
- The 26 Health Insurance Scholarship (ages 25-26) celebrates students at the traditional age for getting their own health insurance.
- The Close to Medicare Scholarship (age 50+) recognizes students who are about to graduate both school and traditional health insurance, as they get ready to enroll in Medicare.
